Satisfactory Academic Progress Standards
for Financial Aid Eligibility
(Effective July 1, 2023)

Federal regulations require that Rocky Vista University (RVU) establish, publish and apply standards of Satisfactory Academic Progress (SAP) which students enrolled in the Master of Medical Sciences Program (MMS) must meet. This document represents the satisfactory academic progress policy standards adopted by RVU for financial aid eligibility. This policy applies to all MMS students including those applying for or currently receiving Federal, State, or any other institutional financial assistance.

Academic progress requires both quantitative and qualitative measurement. Academic records will be reviewed at the end of each term to determine if the student is making satisfactory progress towards their degree.

Time Frame for Completion (Quantitative Measures of Academic Progress):

Maximum Timeframe: Students must complete their degree within a maximum number of attempted credits not to exceed 150% of the published program length. If at any point in time it is determined that a student cannot complete their program of study within 150% of the program length, the student will become ineligible for aid and will need to submit an appeal.

Pace of Progression: Students must complete at least 67% of their total attempted credit hours. To calculate the pace at which a student is progressing, divide the total number of hours the student has successfully completed by the total number they have attempted.

Grade Point Average (Qualitative Measures of Academic Progress):

Students must maintain a minimum cumulative grade point average of 2.0 on the traditional 0.0 - 4.0 scale.

Leaves of Absence:

Periods of approved Leaves of Absence will not count toward the maximum time frame. A student may not receive financial assistance during a Leave of Absence.

Repeated Coursework:

Once passed, a course may not be repeated.

Withdrawal/Incomplete/In Progress:

Courses in which a student earned a grade of Incomplete (IN), Work In Progress (WIP), In Progress (IP) Withdrawal (W), or the equivalent, will count toward hours attempted but not earned for maximum timeframe and pace of progression but will not be included in the qualitative measure.

Grade Changes:

Once an official grade is received for an Incomplete (IN), Work In Progress (WIP), or In Progress (IP) course, the student should notify the Office of Student Financial Services so the SAP status can be reevaluated.

Noncredit Remedial Courses:

RVU does not offer noncredit remedial courses.

Transfer Students:

The MMS program does not accept transfer credits from other programs.

Summer Terms:

The MMS program does not offer summer terms; therefore, it will not be included in the SAP assessment.

Change in Program or Pursuit of a Second Degree:

If a student changes their program of study or chooses to pursue a second degree, credits and grades that do not count toward the new program will not be included in the SAP determination.

Financial Aid Warning:

Rocky Vista University will use the standardized definition of Financial Aid Warning which is defined by the U.S. Department of Education as follows:

Financial Aid Warning is a "status a school assigns to a student who is failing to make satisfactory academic progress. The school reinstates eligibility for aid for one payment period and may do so without a student appeal."

Financial Aid Probation:

Rocky Vista University will use the standardized definition of Financial Aid Probation which is defined by the U.S. Department of Education as follows:

Financial Aid Probation is a "status a school assigns to a student who is failing to make satisfactory academic progress and who successfully appeals. Eligibility for aid may be reinstated for one payment period."

Note that the University may have a different definition of "academic probation or warning." Refer to the Student Handbook and Catalog for more information on academic probation.

Procedure:

The Office of Student Financial Services will review the full academic progress of each financial aid recipient at the end of each term, prior to the disbursement of financial aid for the subsequent term. The student's entire academic record will be reviewed, which will also include any periods of enrollment that the student did not receive financial aid assistance. SAP review is not complete until all qualitative and quantitative measures have been reviewed.

Any student who fails to maintain satisfactory academic progress as defined by this policy will be placed on Financial Aid Warning for one term. During that term, the student will continue to be eligible for aid. At the end of a term during which a student is on Financial Aid Warning, if the student still fails to meet any of the requirements, the student will become ineligible for aid and may submit an appeal to the Office of Student Financial Services. The Office of Student Financial Services will send a written notice to students who have not made satisfactory academic progress for the purposes of financial aid.

Reestablishing Eligibility:

Appeals: A student may submit a written appeal documenting mitigating circumstances (e.g., serious illness of student or family member, death of a relative), within seven (7) calendar days of the determination of their unsatisfactory academic progress.

Appeals should be sent to the Office of Student Financial Services and will be reviewed by the Financial Aid Appeals Committee within ten (10) calendar days of receipt of the appeal. The student will receive written notification of the committee's decision within seven (7) calendar days. Decisions of the Financial Aid Appeals Committee may be appealed to the Rocky Vista University Provost.

Appeals should be submitted to the Office of Student Financial Services and must include:

1. A written statement documenting the reasons for failure to meet the standards of academic progress for financial aid eligibility.
2. A written statement explaining what has changed in the student's situation that would allow the student to bring their academic progress up to satisfactory standards.
3. Documentation supporting their appeal.
4. A written academic plan from the program director or their designee. The academic plan must ensure that the student is able to meet SAP standards by a specific point in time.

If the appeal is granted, and it is determined that the student should be able to meet SAP standards by the end of the subsequent payment period, they may be placed on financial aid probation without an academic plan. The student's progress must be reviewed at the end of their probationary period. If the student is meeting the SAP requirements, they will go back into good standing. If the student does not meet the SAP requirements, they will again become ineligible for financial aid with the opportunity to re-appeal.

If the appeal is granted, and it is determined that the student will require more than one payment period to meet SAP standards, they may be placed on probation with an academic plan in place. A student's progress will be reviewed at the end of each payment period as is required of a student on probation status. If the student is meeting the requirements of their academic plan, the student is eligible to receive financial aid funds as long as the student continues to meet those requirements. Students must appeal to change their plan. If the student does not meet the requirements of their academic plan, they will again become ineligible for financial aid with the opportunity to re-appeal.

Students who are not making satisfactory academic progress, who do not submit an appeal or have their appeal request denied, may regain eligibility only by taking action that brings them into compliance with RVU's satisfactory progress standards.

Any exceptions to this policy will be made on an individual basis and in compliance with federal, state and local regulations governing financial aid.
