

THE RVU COMMITMENT

RVU GRADUATES WILL:

1. Display professional behavior in a consistent manner
2. Demonstrate respect for diverse populations
3. Exhibit commitment to the community through acts of service
4. Implement self-directed learning skills
5. Utilize critical thinking skills and scientific literacy to solve problems

These goals are also known as institutional learning outcomes (ILOs) which describe the knowledge, skills, and aptitudes that all graduates should demonstrate at the time of graduation, regardless of program of study.
