Vice President of Institutional Effectiveness  
Rocky Vista University

Dear Dr. Oakes:

I am pleased to inform you that at its September 5, 2024 meeting, the Colorado Commission on Higher Education approved the renewal of Full Authorization for Rocky Vista University.

As you know, Colorado regulations require authorization renewal in concert with the reaffirmation of accreditation. Based on the action taken by the Higher Learning Commission and the documents provided by you, Department staff recommended renewal. In Colorado, full authorization is awarded to institutions that are continuously compliant with statute and policy, including maintaining its status as an institution which is institutionally accredited by a U.S. Department of Education recognized accrediting agency. Rocky Vista University's operational activities continue to meet the requirements set forth in Section I, Part J of the CCHE's policies as promulgated by §23-2-101.

The authorization for Rocky Vista University will need renewing upon the next reaffirmation of accreditation in 2033-34 by the Higher Learning Commission.

Please let me know if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Heather DeLange'.
