The Cost of Attendance (COA) is an estimate of the cost of attending RVU and maintaining a modest but adequate standard of living. The COA does not include living expenses for a student's spouse or other dependents. Total loan amounts borrowed, and outside scholarships awarded cannot exceed the COA. Books and supplies costs have been equally split between all semesters for the academic award year. This COA is on a Borrower-Based Aid Year (BBAY) model. The program is currently not eligible for Title IV funding.

Many RVU students are able to live on less than the COA by budgeting carefully and reducing their expenses for food and housing, personal and transportation costs. Please contact the RVU Office of Student Financial Services if you have questions regarding the Cost of Attendance at [sfs@rvu.edu](mailto:sfs@rvu.edu).
