

RVUCOM-UT Class of 2026 Graduation Frequently Asked Questions

Q: Will my family need tickets to attend the COM-UT Commencement Ceremony?

A: Each COM-UT graduate is allowed to invite up to **15** guests. If you do not plan to use all **15** tickets, you are encouraged to share any extras with fellow COM-UT graduates.

- As part of enhanced security measures, tickets will be required to access the seating area. All tickets will be issued electronically, and once your ticket quantity is confirmed, you will receive QR codes for entry. **Guests must present a valid ticket to enter the seating area; those without a ticket will not be admitted.** Tickets can only be scanned once, so please make sure that each person receives a different QR code. Seating is available on a first-come, first-served basis. Children who do not require their own seat do not need a ticket.

Q: How does the online ticketing system work?

A: Prior to the ceremony, all graduates will receive a link to the EventBrite website. After creating an account, their tickets will automatically appear in the app. COM-UT graduates may request up to **15** tickets, which will be delivered electronically to the email address provided. Once received, tickets can be transferred to guests or classmates via email or text. Please Note: once a ticket is transferred, it is no longer accessible or valid for the original holder.

It's important **NOT** to share the original secure ticket link with guests. Graduates **must** request their own tickets and then distribute any extras. If the secure link is shared externally, the associated tickets will be considered invalid.
